*A special thank-you to our table captains and other extraordinary
volunteers for their energy, enthusiasm and support —
and to you for celebrating with us today.*

This is a green event, certified by 3Degrees Group, Inc. All food is certified organic, waste is either composted or recycled and excess food is donated. Sixty tons of CO₂ emissions associated with venue energy use, attendee travel, waste disposal, and accommodations have been neutralized through a forestry project in Mendocino, Calif., ensuring a net-zero impact on the earth's climate.
